

## [China Flexible Magnets, Manufacturer, Supplier, Factory, Exporter in china](#)

are manufactured by mixing Ferrite or Neodymium magnet powders and synthetic or natural rubber binding (alendaring) or extrusion methods. Versatility, low cost, and ease of use are among the reasons flexible magnets for your application. This magnet material is usually manufactured in strip or sheet form for seals, gaskets, novelties, signs, and displays. Ferrite flexible magnet material is very low energy and fully dense magnet materials.
